SCRAMBLED BIBLE VERSE
EASTER EGG PUZZLE

Scrambled Bible Verse Easter Egg Puzzles

(instructions for use)

I hide these eggs on Easter Sunday and let the children find them. Then we lay them out, one color at a time, and arrange the words of the verse in order, discussing what each means as we go.

I cut my original eggs out of plastic file folders and used a sharpie to write the verses, one word per egg. They're very durable and have served me well for years. You'll find two printable versions of these scrambled verses below.

You may use the first set to print plain eggs onto colored card stock, then laminate them if you want to reuse the same eggs year after year, like I do.

If not (or if you don't have card stock handy), the second set of verses are already colored. Print them as is, cut the eggs apart, and start playing immediately. No worries if the eggs get wrinkled or torn. You can throw them away (or recycle) when you're finished and print new ones next year!

Gage which verses you do by the number and age of the kids participating. If you have only a couple of kids, you may want to just do a couple of the shorter verses. For a big group of older kids, use them all. Or you could hand out one color of egg (shuffled) to each child, then race to see who can get their verse in order the fastest.

- Verse 1 (pink) - "God loved us and sent His Son." -1 John 4:10

- Verse 5 (baby blue) - "For the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord." - Romans 6:23
