

If you only think
about yourself —
how much money
can I make,
what can I buy,
how nice is my house,
what kind of fancy
car do I have? —

over the long term, I think, you get bored.
I think your life becomes diminished.

**THE WAY TO LIVE A FULL LIFE
IS TO THINK:
WHAT CAN I DO FOR OTHERS?**

Barack Obama
44th President of the United States
