TRIVIA TEST

- | | |
|---------------------|--|
| ___ 1. Aft | A. Longitudinal structure along centerline of ship bottom |
| ___ 2. Bilge | B. Lowest point of a ship's inner hull where water collects |
| ___ 3. Bulkhead | C. Right-hand side of a ship when looking forward |
| ___ 4. Keel | D. Unit of measure for water depth or rope length, equals 6' or 1.83 m |
| ___ 5. Starboard | E. Disturbed water left behind the boat as it moves through the water |
| ___ 6. Bridge | F. To fasten a rope around a cleat using a figure-8 knot |
| ___ 7. Course | G. Upright partition separating compartments in the hull of a ship |
| ___ 8. Dry Dock | H. Raised borders on cabin tables which keep items from falling off |
| ___ 9. Ballast | I. Iron or lead weights fixed in low-access area of a ship for stability |
| ___ 10. Schooner | J. Flat-bottomed boat used for coastal transport of heavy loads |
| ___ 11. Barge | K. Jail cell on a ship, used if cabin arrest is insufficient |
| ___ 12. Fathom | L. Small boat used to transport people/supplies between ship & shore |
| ___ 13. Brig | M. Command center from which the captain navigates the ship |
| ___ 14. Land Lubber | N. The direction (in degrees) in which a ship is being steered |
| ___ 15. Belay | O. A person who is unfamiliar with the workings of a seafaring vessel |
| ___ 16. Fiddle | P. In a direction away from the wind |
| ___ 17. Lanyard | Q. The front of a ship |
| ___ 18. Port | R. Short length of line attached to something you don't want to lose |
| ___ 19. List | S. A vessel's leaning to one side due to improper weight distribution |
| ___ 20. Sloop | T. Left-hand side of a vessel when looking forward |
| ___ 21. Wake | U. A vessel with >1 mast whose foremast is smaller than the main mast |
| ___ 22. Galley | V. Upright metal post bolted to the deck to support guard railing |
| ___ 23. Bow | W. Toward the stern or rear of a ship |
| ___ 24. Stanchion | X. Ship's kitchen |
| ___ 25. Leeward | Y. Boat with a single-mast design for one headsail and one mainsail |
| ___ 26. Tender | Z. Can be filled with water after construction is complete or emptied of water after a ship is tugged in for repairs |
